York Paddle Tennis Club Inc

Rules and Regulations

Season

The court will be available year round except during the maintenance period. Typically the prime time for Paddle Tennis runs from Mid October until early May

Court Time

Courts will be available for play in 1 ½ hour increments staring at 7:30 AM and running until 9PM. Access to the court will be via a key pad locking system or combination lock. Members may reserve a weekly court time throughout the season but not during the three weekday prime time slots of 4:30PM, 6PM and 7:30PM nor over the weekend.

Reservations

Reservations may be made through the online system hosted on our webpage. Players may play without reservations but will give way to those that have reserved as long as the reserved players arrive within 15 minutes of their scheduled court time.

Access to the courts and storage bin

The court will have a combination lock on the main door. The back door will have a locking system that can be unlocked from the inside. After play please make sure that the back door is securely locked. The storage bin is located to the left of the back door and is under the playing surface and contains the 4 shovels, a broom and miscellaneous items. It is secured by a combination lock with the same combination as the main door. Please put any items you use back in the bin and lock it.

Non-Member Usage

Unlimited guest play during our first year, 2007-2008. Thereafter non-members may be guests of members up to 3 times per calendar year. Houseguests are excluded from this regulation.

Lights

The light switch is located at the nearest corner to the parking area. Members are expected to turn off the lights when they finish play. Lights do burn out and the Officers will do their best to have them replaced expeditiously. If a light burns out call Caleb Fox, 215-514-0443. If he is not available call Scott Phillips, 207-363-1512

Snow Removal

The access road, parking area and path to the first court may be plowed by a plowing service but often it will not be. Members and their quests are to use caution while on the Club's leased property and, per the By-Laws, hold the Club and it Directors harmless should any injury or accident occur. Players will be responsible to clear any snow off the courts with push shovels provided by YPTC.

Heaters

The switch for the two propane bullet heaters is located next to the light switch. Heaters may be turned on by players to melt any remaining ice after the snow has been pushed off the court. Players are responsible to turn the heaters off. Gas service will be provided by Estes Oil whose name and number are on the propane tank. Players are to call Caleb Fox, 215-514-0443 for refills or maintenance. If he is not available call Scott Phillips, 207-363-1512

Parking

Parking is to be in the designated parking area unless there is an overflow and then the access road can be used. The road is just 12' wide so use caution when parking and driving past parked cars.

Clubhouse

Should a clubhouse be erected on the YPTC grounds the members are to clean up after they use the Clubhouse and take away any trash. Likewise please remove any trash you find on our premises. Please turn off the Shed's lights and the heater(s), and make sure the door is locked shut. A combination lock will provides access.

Decorum

All Players and guests are expected to be mindful of our neighbors, the maintenance of the court, clubhouse and grounds.
