MINISTRY CARD

2008

Please prayerfully choose three areas that you would be willing to serve in with 1 being your first choice and 3 being your last. This is a chance for you to use your God given gifts and talents, so pick areas where you can serve the best. (Make sure your adult leader signs off on your top choices!)

_____ **Working with the Mentally/Physically Handicapped:**
Serving individuals who are often neglected and alone.

_____ **Light Construction:** projects that include painting, yard work, etc..

_____ **Heavy Construction:** This year will be partnering with Habit for Humanity to build a home for a local family in need.

_____ **Leading VBS:** going into churches or centers that can not staff a VBS by themselves.

_____ **Basketball Camp:** teach basketball and share the gospel.
(You must have experience in the sport you sign up for!)

_____ **Working with Inner City Children:** playing with kids and sharing the love of Christ.

_____ **Working with the Elderly:** spending time at a local nursing home with older people and helping them with everyday things.

_____ **Working with the Homeless:** serving food, giving out clothes, etc.

_____ **Children's Orphanage:** Working with a local orphanage to help provide daily activities and share the love of Jesus.

_____ **Patient Visitation:** this team will both challenge and reward those who are involved. Students will serve and visit (in a safe environment) individuals who have the AIDS virus. Students will go through an educational workshop on their first day to prepare them.
