RE: 8th Grade GOOD CITIZENSHIP AWARDS

The Western Reserve Society Sons of the American Revolution is in its 29th year of offering GOOD CITIZENSHIP AWARDS to qualified 8th graders selected by their schools. In the past years, over 600 certificates per year were awarded to students from our area schools. We are looking forward to your school participating in the 2009 Program. There is no cost to your school. We only request that your principal, staff members, and students take time to select qualified candidates for the GOOD CITIZENSHIP AWARD. The Western Reserve Society of the Sons of the American Revolution suggests that you limit the number of awardees receiving the award to three eighth graders so that the award has maximum meaning.

Enclosed are a list of the rules and a nominating sheet to be used to provide us with the names of the 8th graders you have selected for the award.

The award includes a certificate from the Western Reserve Society of the Sons of the American Revolution and a letter of congratulations from our Society President.

I would appreciate it if the nominating sheet could be sent to me by April 15, 2009 to allow enough time for the certificates to be properly inscribed for delivery to you for presentation during your student awards program. You may communicate the names of the students to receive the awards (as contained in the Awards Form) to me via e-mail rather than surface mail. See the e-mail address below.

With your assistance and cooperation, we hope to continue to reinforce the importance of Good Citizenship as an integral part of the future of our country.

Thank you for your participation. If you have any questions, please telephone me at 440-423-3278 or e-mail me at: hfowleriii@yahoo.com.

Very truly yours,
