Deluxe model (slotted version) Really looks the best against the slotted shroud!

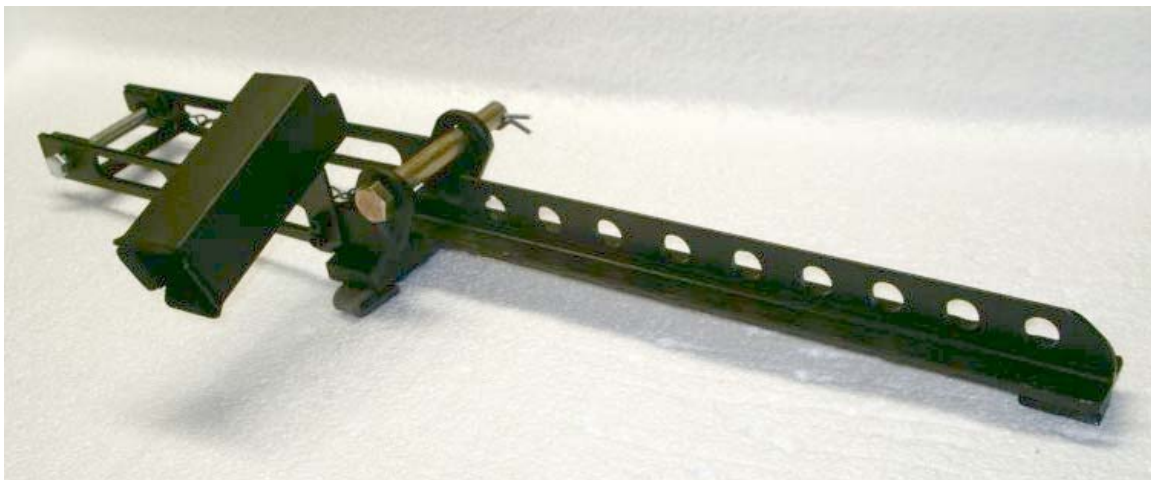

\$255.00 - alone

\$290.00 - w / can holder

\$325.00 – w / 2 can holders

\$330.00 - w / 1 can holder and one chute (recommended)

\$365.00 - w / 2 can holders and link chute

Standard model has NO slots in rear portion and NO holes in front portion. Otherwise they are identical. Picture shows link chute attached to adapter. Can holders mount on the tripod tube(s). They do not hinder use without adapter if mounting an MG42 gun. No modifications are done to tripod to forgo mounting the MG42 without adapter mounted.
